LINE โดนแฮ็ก จะทำอย่างไรดี ?

วิธีการจัดการเมื่อบัญชี LINE โดนแฮ็ก

1 ลองล็อกอินใหม่

ให้ใช้มือถือล็อกอินบัญชี LINE จากนั้นรีบเปลี่ยนรหัสผ่านทันที

วิธีการ : หน้าหลัก → การตั้งค่า → บัญชี → รหัสผ่าน จากนั้นทำการเปลี่ยนรหัสผ่าน

2 กรณีไม่สามารถล็อกอินใหม่ได้ อาจเพราะรหัสผ่านถูกแฮ็กเกอร์เปลี่ยนแปลง

โปรดใช้ LINE “ติดต่อกับเรา” (<https://contact.line.me/>)

เพื่อแจ้งให้บริษัท LINE ช่วยจัดการบัญชีให้

วิธีแจ้ง : ระบบอุปกรณ์ → LINE → บัญชี → บัญชีถูกแฮ็ก

3

กรุณาใช้วิธีอื่นในการแจ้งญาติมิตรให้ทราบว่าบัญชีถูกแฮ็ก และไม่ต้องสนใจเมื่อได้รับข้อความหรืออย่าให้ข้อมูลใดๆเป็นอันขาด

What do you do if your Line account is hijacked by someone else?

Ways of dealing with a hijacked Line account

1 Try to log in again

Use your cellphone to log into Line and immediately change the Password

Path: Home page → Settings → My account → Change the password in the settings page

2 If you are unable to re-log in, the password may have already been changed by whoever hijacked the account.

Use the Line function “Contact Us” (<https://contact.line.me/>), to report the incident to the Line company so they can deal with it.

Reporting items: Systems installation → LINE → Account → Account hijacked

3 Use a different method of communication to contact your friends and relatives and tell them to ignore messages from your account asking for the provision of any information
