

# 雨天騎車

## 小撇步

近期大雨頻繁，爲了保障騎車安全，你應該這樣做：

An illustration of a scooter with a speedometer showing 35. A red warning triangle with an exclamation mark is in the top left. An orange arrow points left with the text 'SLOW DOWN' and a lightning bolt icon. The scooter is being held by two hands.

減速慢行  
避免打滑

An illustration of a person wearing a blue helmet riding a scooter. A red warning triangle with an exclamation mark is in the top left. A yellow headlight is shown on the scooter.

視線不佳  
務必開啟車燈

An illustration of a blue truck and a scooter. A red warning triangle with an exclamation mark is in the top left. An orange sign with the word 'DISTANCE' and a plus sign is between the truck and the scooter.

與前車保持安全距離  
並遠離大車

天雨路滑，請小心騎車

**安全** 才是回家唯一的道路

# เคล็ดลับการขับขี่ยานพาหนะ กลางสายฝน

ระยะนี้มีฝนตกบ่อยเพื่อป้องกันความปลอดภัย  
ขณะขับขี่ยานพาหนะ ควรปฏิบัติดังนี้:

ลดความเร็วลง  
เพื่อป้องกันรถลื่นไถล

ทัศนวิสัยไม่ดี  
ต้องเปิดไฟหน้า

รักษาระยะห่างจากรถคันหน้า  
และหลีกเลี่ยงรถขนาดใหญ่

ฝนตกถนนลื่น โปรดขับขี่อย่างระมัดระวัง  
จึงจะสามารถกลับบ้านได้อย่าง **ปลอดภัย**

# Drive carefully when it rains

Recently Taiwan has been inundated with heavy rain. Motorcyclists should observe the following measures to ensure their safety in such conditions:

An illustration of a hand on a scooter handlebar. A red warning triangle is in the top left. An orange arrow points left with the text 'SLOW DOWN' and three yellow stars above it. The speedometer shows '35'.

Reduce speed and drive slowly to avoid skidding

An illustration of a person riding a scooter with their headlights on. A red warning triangle is in the top left. The headlights are glowing with yellow stars.

If visibility is poor turn on your lights

An illustration of a truck and a scooter. A red warning triangle is in the top left. An orange bar with 'DISTANCE +' and three yellow stars is between the truck and the scooter.

Maintain a safe distance from the vehicle in front and stay away from large vehicles

When it rains the road becomes slippery, driving carefully is the only way to ensure you return home **safely**.

# Những mẹo nhỏ

## khí đi xe dưới trời mưa

Gần đây thường xuyên có mưa lớn, để đảm bảo an toàn khi đi xe, bạn nên làm như sau:

Giảm tốc độ để tránh bị trượt ngã

Nếu tầm nhìn kém, hãy bật đèn xe

Giữ khoảng cách an toàn với xe phía trước và tránh xa xe lớn

Trời mưa trơn trượt, hãy đi xe cẩn thận.  
**An toàn** là con đường duy nhất để về nhà.

# Tips Berkendara Motor Saat Hujan

Akhir-akhir ini sering turun hujan deras. Untuk menjaga keselamatan saat berkendara motor, Anda seharusnya melakukan hal-hal berikut:

Kurangi kecepatan untuk menghindari tergelincir.

Saat jarak pandang buruk, wajib nyalakan lampu

Jaga jarak aman dengan kendaraan di depan dan jauhi kendaraan besar.

Jalanan licin saat hujan,  
 harap berkendara dengan hati-hati!  
**Keselamatan** adalah jalan satu-satunya  
 untuk bisa pulang ke rumah.
