

拍攝雇主 PO網行不行? 當心犯法! ⚠️

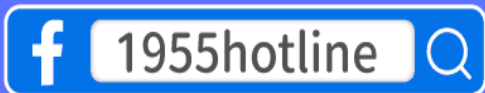

我想把跟阿嬤的合照，上傳到網路上
跟朋友們分享，這樣可以嗎?

如果有事先經過被拍攝者的同意，就沒問題，
但若未經許可下拍攝影像或照片，並公布到
網路上，恐怕會侵害對方的肖像權及隱私權!

提醒您，在「未經許可下拍攝影像或照片，並散布至網路上」
恐違反**刑法**，最重將處**3年徒刑**或**新臺幣30萬元罰金**

Be aware that posting pictures of your employer online is illegal

I want to upload a picture of myself and the grandma I look after to the internet and share it with friends. Is that ok?

If you get the agreement of the person being photographed then there is no problem, but if you take a photo or video footage without permission and post that online it could violate the portrait rights or right to privacy of other individuals.

Remember, “taking a photograph or video footage of an individual and posting it online” could be a violation of the **criminal code** and is punishable by a maximum penalty of **3 years in jail or a fine of NT\$300,000**.
